Thanks Jeff,

I was away on personal business yesterday. (b)(5) - Deliberative Process Privilege

(b)(5) - Deliberative Process Privilege. I know from feedback from our SC&A team that yesterday's conference call was very fruitful and did provide the clarity as to what was needed to complete the subpart W effort. So at this juncture, I have no immediate questions but if anything arises I will contact you first.  
Harry

Harry,

As I said the other day when we spoke on the phone, please submit your questions to me via email so I may circulate them around here. I have not heard from you yet so I am just checking in.

Thanks.
